2 ordinances, and regulations of the State of Nevada.

3           15. This Complaint may be pled in the alternative pursuant to Fed.R.Civ.P.8(d)(2).

4                           **FACTUAL BACKGROUND**

5           16. Plaintiffs incorporate by reference all of the above paragraphs as if set forth fully  
6 herein.

7           17. At all times mentioned herein, Micah Abbey lived at 9801 Crystalline Drive, Reno,  
8 Nevada. Project Uplift owned the home and contracted with Northern Nevada Adult Mental  
9 Health Services to house residents to transition them to living on their own.

10           18. At all times relevant hereto, decedent, Micah Abbey suffered from mental and  
11 emotional illnesses and disabilities, including bipolar disorder, anxiety disorder and post traumatic  
12 stress disorder (PTSD). Micah Abbey also suffered from chronic pain from a 2010 back surgery. At  
13 the time of the occurrences set forth herein, some or all of the Defendants knew or should have  
14 known of Micah Abbey's mental, physical and emotional conditions.

15           19. On December 25, 2011, between 7:00 p.m. and 7:45 p.m., Micah Abbey, was involved  
16 in an argument with another resident living at 9801 Crystalline Drive, Reno, Nevada. Micah Abbey  
17 was upset that someone had taken his backpack and/or waist-pack.

18           20. As a result of the argument between Micah Abbey and another resident, Project Uplift  
19 caretaker Michael Ross talked to Micah Abbey to resolve the issue, which resulted in Micah Abbey  
20 getting into a confrontation with Michael Ross. On information and belief, Micah Abbey was yelling  
21 and bumped bodies with Michael Ross.

22           21. On information and belief, at approximately 7:45 p.m., Michael Ross called 911, and  
23 as a result of subsequent dispatches, Defendants sent officers to Micah Abbey's residence.

24           22. On information and belief, at approximately 7:56 p.m., Defendant PLEICH, of the  
25 RPD, arrived at Micah Abbey's residence. Upon Defendant PLEICH's arrival, Micah Abbey was  
26 calm, peaceful, quiet and alone in his bedroom.

27 ///

28 ///

1           23.     On information and belief, upon Defendant PLEICH's arrival, he met and spoke with  
2 Michael Ross. Michael Ross informed Defendant PLEICH that the home housed people with mental,  
3 physical and/or emotional problems. Michael Ross further informed Defendant PLEICH of Micah  
4 Abbey's emotional, physical and mental conditions and the incident that occurred.

5           24.     On information and belief, Defendant PLEICH went to Micah Abbey's bedroom, and  
6 confronted Micah Abbey. At the time, Micah Abbey had no weapons on his person, was calm and  
7 sitting on his bed. Defendant PLEICH told Micah Abbey that he wanted to take him to the hospital  
8 for a "Legal 2000" hold and evaluation. Through the conversation, Defendant PLEICH recognized  
9 that Micah Abbey was suffering from mental, physical and emotional problems.

10          25.     On information and belief, most of this discussion between Defendant PLEICH and  
11 Micah Abbey took place in Micah Abbey's bedroom.

12          26.     Micah Abbey's bedroom was a small room, with a small standing area, two beds, and  
13 a dresser between the two beds.

14          27.     On information and belief, at approximately 8:06 p.m., Defendant BOND arrived at  
15 Micah Abbey's residence. Upon arrival, Defendant BOND was aware that the location housed  
16 persons with mental, emotional or physical problems, and went and spoke with Defendant PLEICH  
17 and Micah Abbey. Again, this encounter occurred in Micah Abbey's small bedroom.

18          28.     Upon information and belief, none of the Defendants requested, called, or otherwise  
19 considered the Mobile Outreach Safety Team (MOST Team) which is specifically designed to deal  
20 with people who have mental health issues, the Crisis Intervention Team or any similar unit or back  
21 up personnel which possessed adequate training for interventions with a person suffering from a  
22 mental or emotional disability, or potentially suffering from a mental, physical or emotional  
23 disability.

24          29.     Both Defendant BOND and Defendant PLEICH knew or should have known that  
25 Micah Abbey was afflicted with mental, physical and/or emotional disabilities.

26          30.     Defendant BOND and Defendant PLEICH told Micah Abbey they were going to take  
27 him in for a "Legal 2000" hold and/or he would be arrested for battery, and Micah Abbey refused to  
28 go.

1           31. Upon information and belief, Defendant PLEICH and Defendant BOND confronted  
2 Micah Abbey in his small bedroom, failed to initiate any de-escalation protocols and procedures,  
3 which caused Micah Abbey to attempt to escape through a window in his bedroom.

4           32. Upon information and belief, while Defendant BOND and Defendant PLEICH were  
5 deciding what to do, Micah Abbey attempted to escape through his bedroom window, and the  
6 Defendants, through numerous types of force, attempted to control Micah Abbey and place him in  
7 custody.

8           33. All of the Defendants were under an obligation and duty to abide by applicable force  
9 continuums, including the use of electronic control weapons (hereinafter "ECW", including tasers),  
10 and physical restraint, so as to avoid serious and fatal injuries to all individuals seized or in the  
11 process of being seized, including Micah Abbey.

12           34. Upon information and belief, Defendants discharged taser ECW's twenty-six times  
13 (26), striking Micah Abbey, thereby subjecting him to an unreasonably dangerous electrical current  
14 and the significant circulatory and respiratory health problems associated therewith.

15           35. Upon information and belief, Defendants utilized taser ECW's multiple times in  
16 "Drive Stun Mode" on Micah Abbey, thereby subjecting Micah Abbey to an unreasonably dangerous  
17 electrical current and the significant circulatory and respiratory health problems associated therewith.

18           36. Upon information and belief, Defendants utilized significant and unreasonably  
19 dangerous physical restraint techniques upon Micah Abbey, including the use of a carotid artery  
20 choke hold, thereby enhancing Micah Abbey's respiratory and circulatory strain and distress.

21           37. Upon information and belief, Defendants utilized significant and unreasonably  
22 dangerous physical restraint techniques upon Micah Abbey, including the use of batons/sticks,  
23 thereby enhancing Micah Abbey's respiratory and circulatory strain and distress.

24           38. Upon information and belief, Defendants utilized significant and unreasonably  
25 dangerous physical restraint techniques upon Micah Abbey, including the use of handcuffs and RIPP  
26 restraints to bind Micah Abbey, while both Defendant BOND and Defendant PLEICH placed their  
27 full body weights on his upper and middle body, thereby enhancing Micah Abbey's respiratory and  
28 circulatory strain and distress.

1           39. Upon information and belief, after wrestling with Micah Abbey for approximately 10  
2 minutes, Defendant PLEICH and Defendant BOND controlled Micah Abbey. They (PLEICH and  
3 BOND) had Micah Abbey face down, with both wrists cuffed from behind. At that time, Defendant  
4 PLEICH had his knee on Micah Abbey's back and both hands on his back forcefully pushing down.  
5 At that same time, Defendant BOND was sitting on Micah Abbey's low back and/or legs. With  
6 control over Micah Abbey, and in a time of two-minutes and one second, Defendant BOND used his  
7 ECD in "drive stun mode", twelve (12) times, while Micah Abbey was under Defendants control, and  
8 posed no threat of harm, danger or escape.

9           40. At approximately 8:21 p.m., Defendant DEMITROPOULOS, a University of Nevada,  
10 Reno police officer arrived. Defendant PLEICH and/or Defendant BOND directed Defendant  
11 DEMITROPOULOS to cross Micah Abbey's legs and hold them. At that time, Defendant PLEICH  
12 and Defendant BOND controlled Micah Abbey. Micah Abbey was face down, with both wrists  
13 cuffed from behind, and Defendant PLEICH had his knee on Micah Abbey's back and both hands on  
14 his back forcefully pushing down. At that same time, Defendant BOND was sitting on Micah  
15 Abbey's low back and/or legs. Defendant DEMITROPOULOS crossed Micah Abbey's legs and held  
16 them in place, thereby enhancing Micah Abbey's respiratory and circulatory strain and distress.  
17 Defendant DEMITROPOULOS held Micah Abbey in this position did for a period of time until the  
18 arrival of Defendant RASMUSSEN.

19           41. At approximately 8:24, Defendant RASMUSSEN arrived with RIPP restraints (which  
20 is a tie between handcuffs and ankles). At the time, Defendant PLEICH and Defendant BOND  
21 controlled Micah Abbey face down, with both wrists cuffed from behind, and Defendant PLEICH  
22 had his knee on Micah Abbey's back and both hands on his back forcefully pushing down.  
23 Defendant BOND was sitting on Micah Abbey's low back and/or legs. Defendant  
24 DEMITROPOULOS was holding Micah Abbey's legs and held them in place. Defendant  
25 RASMUSSEN proceeded to tie the RIPP restraints to Micah Abbey's ankles and wrist cuffs, thereby  
26 enhancing Micah Abbey's respiratory and circulatory strain and distress. After having the RIPP  
27 restraints in place, Defendant PLEICH realized Micah Abbey was not breathing.

28 ///

1           42.     Thereafter, Defendants took the RIPP restraints off and unhooked one of the  
2 handcuffs, and started cardio pulmonary resuscitation until medical units arrived and took over. The  
3 Reno Fire Department and Remsa were not successful.

4           43.     At 9:00 p.m., Dr. Morcan pronounced Micah Abbey deceased by phone.

5           44.     Ellen G.I. Clark, M.D. and Piotr A. Kubiczek, M.D., from the Washoe County  
6 Medical Examiner's Office ruled Micah Abbey's death a "homicide" with other significant  
7 conditions as "police restraint procedures".

8           45.     The conduct of Defendants violated Micah Abbey's constitutional rights as guaranteed  
9 by the United States Constitution, and as remediable pursuant to 42 U.S.C. §1983.

10          46.     At all times relevant hereto, the Defendants acted under the color and guise of state  
11 and local laws.

12          47.     The conduct of the Defendants as set forth above and herein, acting under the color  
13 and guise of state and local law, was recklessly and deliberately indifferent to the safety, bodily  
14 integrity, well-being, and life of Micah Abbey, and was committed in conscious disregard of the  
15 substantial and/or unjustifiable risk of causing harm to Micah Abbey, and was so egregious as to  
16 shock the conscience.

17          48.     Upon information and belief, Micah Abbey was in the custody of the Defendants, or  
18 was in the process of being placed into custody, thereby creating a special relationship between the  
19 Defendants and Micah Abbey. As such, Defendants were entrusted with and responsible for Micah  
20 Abbey's protection, safety, well-being and life while he was within (or was in the process of being  
21 placed in) their custody.

22          49.     Defendants' conduct, as described above and herein, was undertaken in bad faith and  
23 with malice, bad motive, evil intent and deliberate and/or reckless indifference to and callous  
24 disregard for Micah Abbey's constitutional rights to be free from physical assault causing grievous  
25 injuries, harm and death under the Fourteenth Amendment to the United States Constitution, as a  
26 result of being in (or in the process of being placed in) the custody of Defendants.

**COUNT I**

(Plaintiffs v PLEICH, BOND, RASMUSSEN, DEMITROPOULOS, AND DOES I-X )

53. Upon information and belief, on December 25, 2011, the Defendants, despite being aware that Micah Abbey was already short of breath and suffered from physical, mental and emotional disabilities, utilized unreasonable, malicious, and/or excessive and unreasonably dangerous force on Micah Abbey; specifically, the discharge of multiple ECWs on Micah Abbey in "Drive Stun Mode" on Micah Abbey, and the utilization of significant and unreasonably dangerous restraint techniques upon Micah Abbey, when Defendants had full control of Micah Abbey, as Micah Abbey was in handcuffs behind his back, had the full force of the two Defendants on top of him, and despite this control, Defendants continued to discharge twelve (12) times the ECW in "Drive Stun Mode". Excessive restraint procedures were done. Micah Abbey was already restrained. He did not need to be restrained further, this is excessive. Thereafter, Defendants further restricted Micah Abbey's movement by holding his legs. Finally, Defendants used "RIPP" restraints to bind Micah Abbey, all of which caused Micah Abbey's circulatory and respiratory distress, including, but not

1 limited to, death.

2 54. By the actions and omissions described above and herein, Defendants' violated 42  
3 U.S.C. § 1983, depriving Plaintiffs of clearly-established and well-settled constitutional rights  
4 protected by the Fourth and Fourteenth Amendment to the United States Constitution:

- 5 a. The right to be free from unreasonable seizure as secured by the Fourth and  
6 Fourteenth Amendment;
- 7 b. The right to be free from excessive and unreasonable force as secured by the  
8 Fourth and Fourteenth Amendment;
- 9 c. The right to be free from unlawful deadly force as secured by the Fourth and  
10 Fourteenth Amendment;
- 11 d. The right to be free from the use of unlawful, reckless, deliberately indifferent,  
12 and conscience shocking deadly force as secured by the Fourteenth  
13 Amendment.
- 14 e. The right to be free from wrongful government interference with familial  
15 relationships, and Plaintiffs' right to companionship, society, support of each  
16 other, as secured by the First, Fourth and Fourteenth Amendments, and N.R.S.  
17 § 41.100.

18 55. Defendants subjected Plaintiffs to their wrongful conduct, depriving Plaintiffs of the  
19 rights described herein, knowingly, maliciously, and with conscious disregard for whether the rights  
20 and safety of Plaintiffs, individually, and on behalf of Micah Abbey, deceased, and other would be  
21 violated by their acts and/or omissions.

22 56. As a direct and proximate result of Defendants acts and/or omissions as set forth  
23 above and herein, Plaintiff sustained injuries and damages as set forth above and herein.

24 57. The conduct of Defendants PLEICH, BOND, RASMUSSEN, DEMITROPOULOS,  
25 AND DOES I-X entitles Plaintiffs to damages, punitive damages and penalties allowable under 42  
26 U.S.C. § 1983 and N.R.S. § 42.005.

27 58. Plaintiffs are also entitled to costs and attorneys fees under 42 U.S.C. § 1988 and  
28 applicable Nevada statutes.

**COUNT II****42 U.S.C. § 1983 – MONELL CLAIM****(Plaintiffs v CITY, RPD and DOES I-X)**

59. Plaintiffs incorporate by reference all of the above paragraphs as if set forth fully herein.

60. The unconstitutional actions and/or omissions of Defendants PLEICH, BOND, RASMUSSEN, DEMITROPOULOS, AND DOES I-X, as well as other officers employed by or acting on behalf of Defendant CITY and Defendant RPD, on information and belief, were pursuant to the following customs, policies, practices, and/or procedures of CITY and RPD, stated in the alternative, which were directed, encouraged, allowed, and/or ratified by policy-making officers of CITY and RPD:

- a. To use or tolerate the use of excessive and/or unjustified force;
- b. To use or tolerate the use of unlawful deadly force;
- c. To fail to use appropriate and generally accepted law enforcement procedures in handling an emotionally disturbed person;
- d. To fail to use appropriate and generally accepted law enforcement procedures in handling citizens;
- e. To cover-up violations of constitutional rights by any or all of the following:
  - i. By failing to properly investigate and/or evaluate complaints or incidents of excessive and unreasonable force, and/or unlawful seizures,
  - ii. By ignoring and/or failing to properly and adequately investigate and discipline unconstitutional or unlawful police activity;
  - iii. By allowing, tolerating, and/or encouraging police officers to: fail to file complete and accurate police reports; file false police reports; make false statements; intimidate, bias and/or “coach” witnesses to give false information and/or to attempt to bolster officers’ stories; and/or obstruct or interfere with investigations of unconstitutional or unlawful

1 police conduct, by withholding and/or concealing material information;

2 f. To allow, tolerate, and/or encourage a "code of silence" among law  
3 enforcement officers and police department personnel, whereby an officer or  
4 member of the department does not provide adverse information against a  
5 fellow officer or member of the department; and,

6 g. To use or tolerate inadequate, deficient, and improper procedures for handling,  
7 investigating, and reviewing complaints of officer misconduct.

8 h. Policy of failing to discipline poorly performing officers.

9 61. Defendants CITY, RPD and DOES I-X had a significant prior opportunity to create,  
10 adopt, promulgate, implement, revise, update, utilize, and enforce policies, procedures, and/or  
11 protocols to help protect Micah Abbey from serious and foreseeable harm, including the serious risk  
12 of harm and death associated with exposure to a combination of multiple ECW electrical  
13 deployments, ECW drive stunning, the use of batons, carotid choke holds, and the use of significant  
14 physical restraint methods (including the use of handcuffs and RIPP restraints to tie up an  
15 individual), particularly when the individual who is the recipient of these methods has the full force  
16 and weight of the Defendants on top of him, and is suffering from pre-existing respiratory health  
17 problems, circulatory health problems, and/or mental/emotional health problems, as Micah Abbey  
18 clearly was.

19 62. Defendants CITY, RPD and DOES I-X intentionally, recklessly, and/or negligently  
20 failed to create, adopt, promulgate, implement, revise, update, utilize, and enforce policies,  
21 procedures, and/or protocols regarding the use of force, including but not limited to force  
22 continuums, use of ECWs, use of "Drive Stun Mode" with ECWs, and use of significant physical  
23 restraint methods (including the use of handcuffs, RIPP restraints and body weight restraint) and the  
24 combination thereof, including when the recipient of these forcible methods is suffering from pre-  
25 existing respiratory health problems, circulatory health problems, and/or mental/emotional health  
26 problems, as Micah Abbey clearly was.

28 ///

1           63. Defendants CITY, RPD and DOES I-X failed to properly hire, train, instruct, monitor,  
2 supervise, evaluate, investigate and discipline Defendants PLEICH, BOND, RASMUSSEN,  
3 DEMITROPOULOS, AND DOES I-X, and other RPD and CITY personnel, with deliberate  
4 indifference to Plaintiffs' constitutional rights, which were thereby violated as described above.

5           64. The unconstitutional actions and/or omissions of Defendants PLEICH, BOND,  
6 RASMUSSEN, DEMITROPOULOS, AND DOES I-X, and other RPD and CITY personnel, as  
7 described above, were approved, tolerated, and/or ratified by policy-making officials of RPD and  
8 CITY. Plaintiffs are informed and believe, and thereupon allege, the details of this incident have  
9 been revealed to the authorized makers within CITY, RPD and DOES I-X, and that such policy  
10 makers have direct knowledge of the fact that Micah Abbey's death was not justified and the force  
11 used was excessive. Notwithstanding this knowledge, the authorized policy makers within RPD,  
12 CITY and DOES I-X have approved Defendants PLEICH, BOND, RASMUSSEN,  
13 DEMITROPOULOS, AND DOES I-X actions. By so doing, the authorized policy makers within  
14 CITY, RPD and DOES I-X have shown affirmative agreement with the individual Defendant  
15 officers' actions, and have ratified the unconstitutional acts of the individual Defendants.

16           65. The aforementioned customs, policies, practices, and procedures, the failures to  
17 adequately hire, train, instruct, monitor, supervise, evaluate, investigate, and discipline, as well as  
18 the unconstitutional orders, approvals, ratification and toleration or wrongful conduct by
